

KEY STAGE 4 Entitlement

Years 10 and 11. Entitlement to Careers Education, Information and Guidance 2024-25

Key Stage 4 Careers Entitlement – Years 10 and 11

Career learning and development at Key stage 4 aims to equip students with the necessary information and skills to manage their own career portfolio and support progression to the next stage of their learning after Year 11.

Independent, impartial and up to date careers advice and guidance is available to all students to support their choices.

In addition to the Careers Education programme delivered in lesson time, students will experience.

2024-5 Programme: Year 10 – Further careers Inputs- Events and Guidance

Careers Information and Guidance

Students update their Morrisby Careers Interest Guide account with the Careers Adviser and research careers that they would be interested in following in the future and be shown how to access information from different sources. Students will also be able to understand job trends in the career areas that they are interested in.

Students create a CV in preparation for a Mock Interview with an Employer in Year 11.

Some students have a Careers Guidance Interview with a qualified Careers Adviser, identifying progression pathways after Year 11 and encouraging students to research career opportunities beyond at this stage. Students received part 1 of an electronic career plan that is e-mailed home. Careers Information pathway leaflets are also e-mailed home.

Careers Events

College taster sessions- an opportunity to visit local colleges in school time and sit in on lessons and visit workshops as appropriate. This will help with college choice post- 16.

Work Experience- Students spend one week with an employer to experience the workplace at first hand. Students learn about Health and Safety in the Workplace.

2024-5 Programme Year 11 – Further Careers Inputs- Events and Guidance

Careers Information and Guidance

- Students update their Morrisby Careers Interest Guide account with the Careers Adviser
- Students have a further Careers Guidance Interview with a qualified Careers Adviser. At this interview, students can also apply on-line for College courses and Apprenticeships.
- Specific support is given to students who are seeking Apprenticeships through

Careers Events

- Post-16 Options Fayre for Year 11 students. Students and parents speak to Colleges and Apprenticeship Providers about future applications
- Assembly on Apprenticeships from the DWP Apprenticeship service
- Assembly from the National Citizenship Service
