	23rd to 25th June 2025 inclusive			<p>The contingency day is in the event of national or significant local disruption to exams in the United Kingdom, being part of the awarding bodies' standard contingency planning for exams.</p> <p>Following the Covid-19 pandemic, further resilience was needed within the exam timetables. A single contingency day was not felt to be sufficient if a national event or incident had a significant effect on the exam timetable. For example, summer exams could be affected by extremely high temperatures.</p> <p>For the Summer 2025 exams, the contingency sessions are on Wednesday 11 June 2025 (PM) and Wednesday 25 June 2025 (all day).</p> <p>Candidates must remain available up to and including Wednesday 25 June 2025 should examinations need to be rescheduled.</p>
