

16th September 2026

Dear Parent/ Carer,

On **Thursday 24th September from 4:30- 6:00pm** we will once again be holding our KS4 Information evening. We are aware that you may have attended last year however if you missed the event previously you are welcome to join the evening this year.

The event will be focused on introducing the GCSE Core Subjects (Maths, English, RS and Science), offering crucial information and support to further enhance your child's studies.

The evening will begin in the Hall with a brief overview of the 2-year Key Stage 4 journey, followed by sessions of approximately 20 minutes led by Heads of Department or subject specialists in each core subject. Information packs will also be provided to aid discussions with your child about content and revision at home.

If you have any questions regarding any of the above, please contact your child's Form Tutor, Head of Year or myself. Thank you in advance for supporting your child in their studies and encouraging them to engage with the additional support we have on offer.

Yours sincerely,

Lisa Kernohan

Assistant Headteacher

Curriculum / Teaching and Learning Lead
