Dear Parents and Carers,

To support our upcoming school production of *Oliver!*, we will be holding a non-uniform day on Friday 23rd October.

Instead of the usual non-uniform donation, we would be grateful if students could bring in either a bottle (suitable for a bottle stall tombola) or a raffle prize. These donations will be used as part of the bottle stall and raffle taking place during our performance of *Oliver!* on Thursday 10th December.

Funds raised will help support the Expressive Arts Department with the costs associated with staging the production, while also helping us create an enjoyable experience for students, families and members of our wider school community.

Thank you for your continued support and generosity. We look forward to making this year's production a memorable success.

Kind Regards

Mrs Dean

Head of Expressive Arts
St Philip Howard Catholic Voluntary Academy
